## Outdoor Lighting Exterior Lights Canopy, Soffit and Deck Lighting

Outdoor Lighting, Loretto NZ have added a **22W IP65 LED** downlight to the range. The weatherproof outdoor lighting fixture is an ideal solution for canopy lighting, soffit downlights and other commercial situations that would benefit from a recessed weatherproof IP65 rated outdoor light fixtures with a 10 year Warranty on the DuPont paint finish.

Outdoor lighting can enhance the look of the building as well as provide security and safety, lighting up those trip hazards and other obstacles pedestrians and drivers might miss in the dark.

### Outdoor Lighting

The high output [22W LED Downlight](#) fixture compliments the other [10w weatherproof IP65 LED](#) bathroom and exterior soffit outdoor light. This lighting fitting is ideal for commercial exterior lighting under the canopies of a petrol station, an RSA or a hotels and motels.
