

Ezyslab Condenser Unit Base - ACESLAB

Product Description

The ACESLAB is an innovative injection moulded equipment support base that allows for fast and easy installations. The underneath side of the Ezyslab is profiled which provides greater rigidity, eliminating sagging and maximising stability. It is light weight and extremely weather resistant. The Ezyslab utilises the highest quality alloyed materials, with added UV-resistant polymers and glass fibre reinforced material, for outstanding protection and strength.

Part Number

ACESLAB : Ezyslab Condenser Unit Base – Grey
