PRODUCT & SALES GUIDE

Ezyduct® Product Range

The Ezyduct® system is available in both 80mm & 110mm sizes.

CABLE & PIPE DUCT

ACECD80 80mm x 66mm x 2m
ACECD110 110mm x 76mm x 2m
UPVC ducting, to carry and protect cable and pipe.

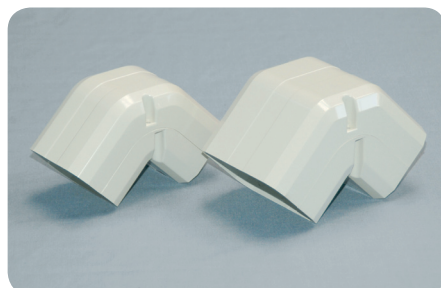

WALL CAP

ACEWC80 80mm wall cap
ACEWC110 110mm wall cap
Cover for pipe & cable wall entry point.

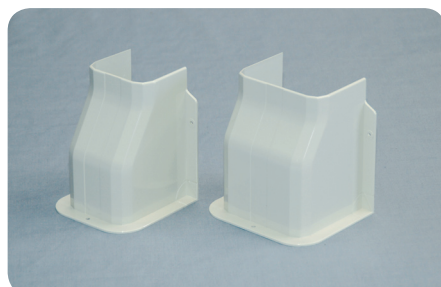

BEND

ACEB80 80mm bend
ACEB110 110mm bend
Designed with the optimum radius & space to allow copper pipe to be bent without kinking, with an easy clip on lid.

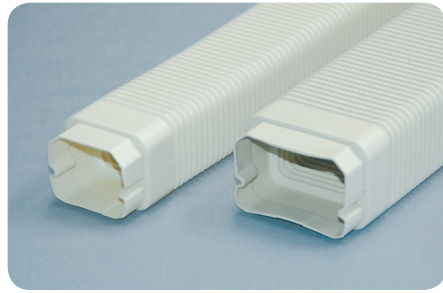

ELBOW

ACEE80 80mm elbow
ACEE110 110mm elbow
Carries piping & cabling along inside corners & around outside corners. One fitting for two applications.

CEILING CAP

ACECC80 80mm ceiling cap
ACECC110 110mm ceiling cap
To cover pipe and cable penetrations through ceilings, eave's and walls.

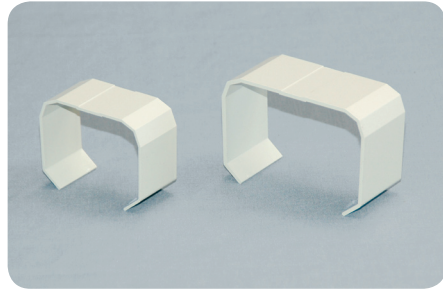

FLEXI JOINER

ACEFJ80 80mm flexi-joiner

ACEFJ110 110mm flexi-joiner

A flexible fitting designed for easy bending over and around difficult applications.

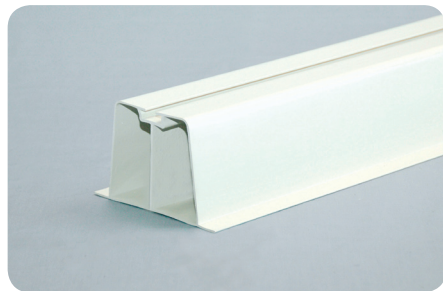

JOINER

ACEJ80 80mm duct joiner

ACEJ110 110mm duct joiner

Snap on fitting that allows you to cover the cable duct join when they are butted together.

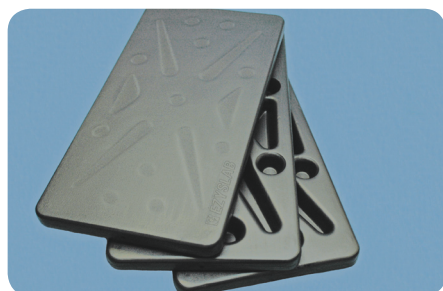

CONDENSER MOUNTS

ACECM350 350mm x 150mm x 90mm

ACECM450 450mm x 150mm x 90mm

Strong and durable extruded UPVC mounts for air conditioning condenser units.

EZYSLAB™

ACESBL 930mm x 480mm x 50mm

Universal equipment base.

Refer to the last page of this catalogue for more information on the Ezyslab.

MOUNTING BRACKETS

We carry a full range of mounting brackets including pitch brackets, leg brackets and slide bar brackets. All brackets come complete with associated fixings and rubber mounts.

Product Benefits

EASY TO USE

Experience & innovation in design has delivered a range of products that will ensure the installer will save time and frustration when using this system. Increased duct carrying capacity, a bend that clips together with a larger bend radius, a product that won't crack or shatter when you drill or cut it, a single piece wall cap with more space to curve your copper pipe & a snap on joiner are just a few of the innovations that will make the installers work easier, saving time and money.

LOOKS GREAT

With Ezyduct® your completed job will look great. Its stylish design and neutral light beige colour, will ensure it compliments and blends with any environment.

STRONG & DURABLE

Ezyduct® products are made from quality, first grade raw materials designed specifically for applications that require;

- Hi impact strength, rigidity & toughness
- UV radiation resistance
- Colour and gloss retention

And to back up our claims we offer a 5 year performance warranty.*

DEPENDABLE SUPPLY & QUALITY

All Ezyduct® products are manufactured in Australia, so you can be assured of ongoing consistent quality and dependable supply.
